A man with a beard, wearing a white polo shirt and a necklace, stands in the background of a workshop. In the foreground, a large, dark stone sculpture of a panther or jaguar is the central focus, resting on a wooden table. To the right, another sculpture, possibly made of wood or a lighter stone, is visible. The scene is lit with warm, natural light, creating a rustic and artistic atmosphere.

LA ZEBRA

A large, golden, woven sculpture of a zebra's head, set against a clear blue sky with palm trees in the foreground. The sculpture is made of many thin, curved, golden rods that form a dense, lattice-like structure. The zebra's head is shown in profile, facing right. The background is a clear, light blue sky. In the lower right corner, the silhouettes of several palm trees are visible against the sky.
