

The Shop - Tulum, is an award winning design & fabrication studio founded by James Digiorgio, Jeanne Littooy, & David Graziano. Conveniently located in the La Veleta neighborhood in Tulum.

The Shop has been at the apex of creating large-scale installation pieces, custom lighting, furnishings, and cutting-edge sculptural vehicles, while working with premiere artistic talent and providing a variety of services for big events and festivals.

Our team is passionate about fabricating with local materials as well as bringing expertise to metalwork, woodwork, and providing efficient and professional solutions for your every design need. Our designers create one-of-a-kind pieces and are capable of producing furnishings, household or resort doors, windows, and custom jobs of all shapes, materials, and sizes.

We take great pride in our work, and we look forward to collaborating with you!
